A map of the study area in New York City. The map shows a grid of streets. 43rd Street is on the left, 44th Street is on the right, and Broadway is at the bottom. A yellow shaded area is located in the lower right quadrant, bounded by 44th Street to the right, Broadway to the bottom, and a vertical line to the left. This yellow area contains a detailed drawing of a building complex. A compass rose is located at the bottom right, with the letter 'N' indicating North is towards the top right.
